**Multi CH Eryx From Pantheon Rottweilers**

Eryx is a truly stunning example of the Rottweiler breed! He is fully health tested and CHIC Certified! He is an IABCA IntCh, NatCH, HrnCH, and Honors Champion in Bronze, Silver and Gold!! He is a UKC Champion, UKC Reserve Best in Show, AKC Reserve Winners Dog, and has been BOB multiple times as well as being V1 Rated at every show! Eryx also won BOB puppy, his NatCH, IntCh and Honors Puppy Championships in his first weekend of showing at 5 months old! Eryx is a large male with great bone and substance, he has a wonderful, level topline, a confident, powerful gait with great reach and drive! He has rich, tan markings, black eyes and black mouth pigment, a correct scissor bite and full dentition. His headpiece is impressive! Large with a well defined stop without being extreme, correct muzzle to head ratio, with large ears set and carried correctly. He has a deep, well sprung chest, correct and powerful front, and strong correct rear, with excellent front and rear angulation. Eryx is a high drive dog with high prey drives, while still maintaining a very sweet and fun loving disposition as well as being great with kids! We will continue his show and working career and have high hopes for him as a producer! ? STANDING AT STUD TO BITCHES OF MERIT! ?
