OFA Cardiac Normal RO-BCA2291/15M/P-VPI

Ozzy Ozbone Vom Corvinus Haus

This handsome man came back to me as if sent by Eryx himself! Oz is a gorgeous son of Ch Eryx FP Rottweilers BCAT and our bred by Ch Dea Vom Corvinus Haus BH!! He is a gorgeous dog with a great clownish personality, with great prey drive and a very sweet demeanor! Oz has a wonderful structure, with a beautiful level topline and powerful gait with great reach and drive! He has rich, rust markings, black mouth pigment with full dentition with a correct scissor bite, and very dark eyes like his sire! He has already started his health testing and is passing with flying colors! We can't wait to get this guy into some shows and sporting events!
