# Rolo Von Dara

Introducing our upcoming stud, ROLO VON DARA!! I have been blessed to be able to add this amazing dog and his pedigree to our Vom Corvinus Haus program!! Rolo comes from the Neubrand line of Rottweilers in Germany!! This gorgeous guy is developing very well and is showing some amazing potential as a stud dog already! Rolo has absolutely stunning conformation, gorgeous dark mahogany color, black mouth pigment with full dentition and a correct scissor bite, very dark eyes and a very athletic structure!! Rolo is of sound temperament with all he meets and is well in control around other dogs! We plan to start his show and sport carrier as soon as possible! I can only hope he will make his own mark in the Vom Corvinus Haus family!!
